MUSIC IN THE GARDEN

Featuring a performance by Quartet Sabaku

Desert Botanical Garden
Webster Auditorium
April 17, 2013

7:00 p.m.

tickets: \$50

A program of lesser-known gems for string quartet by Aaron Copland, Hans Gál and Viktor Ullmann. While the name Copland is widely known among music-lovers, such is not the case for Gál and Ullmann. The reasons for this will be discussed by Robert Elias of The OREL Foundation. And then the music will speak for itself.

Please join us for a reception following the performance.
